2017

Overview

1 Codio

2 Recap

Using Codio (codio.com) for this module.

- Trialled last year with Jan starters.
 - Improved outcomes.
- Changes to University procedure mean need to make you aware...
 - Codio migrating servers to EU this year.
 - Data currently stored in USA.
 - We give no data to Codio.
 - Need to consent to use Codio.

- 1 Complete the consent form and return it.
- 2 Complete the 'quiz' on Moodle confirming that you have completed the consent form.
 - Consent form is required by the Uni.
 - Moodle is so I actually know who has done it.
- 3 Sign up for Codio (codio.com)
 - You have to use your University provided email address.
 - Use the sign up code/link you get from Moodle.
